Quick Search

Please select at least two appliances to compare

To begin your search enter model criteria and click search. Use the additional fields if necessary. The quick search also allows search results to be narrowed to currently approved models or to search historical models.

To search historical models, please set the status to archived which can be found on the appliance status tab.

Questions can be directed to Appliances@energy.ca.gov or to the Appliances Hotline, toll free at (888) 838-1467 or outside California (916) 651-7100. [Search Instructions](#) are also available.

☒ Model Number	☐ Appliance Type	☐ Company	☐ Brand	☐ Appliance Status
---	--------------------------------------	-------------------------------	-----------------------------	--

☒ Dynamic Model Search ☐ Standard Model Search

The Dynamic Model Search will look up models each time a key is pressed and will show all models that contain the search value within it. Once you click on one of the presented models and click the search button the search results for that model will be shown.
